Spa Services

Skin Care

A Facial is a vital step towards beautiful skin, which can also treat various skin conditions such as discoloration and acne, and restoring and revitalizing the skin with staggering results.

We specialize in an array of facials suitable for your skin type or particular problem.

Services	Description	Reg	VIP
Deluxe Facial	Cleansing, exfoliation, extractions and an individualized special treatment masque with lots of massage and pampering. A good choice for beginners.	60	50
Deep Pore Cleansing Facial	As a Basic Facial, but includes extra time for extractions and masque. Ideal for congested skin.	65	55
Gentleman's Facial	Designed for the special skincare of a man. Cleansing, exfoliation, extractions and an individualized special treatment which relieves razor burns, skin dryness and irritation. Please shave at least 24 hours prior to your appointment.	65	55
T-zone Facial	A half-hour exfoliation and extraction to rid that ever-oily T-Zone of its inevitable oil area. Not blissful but beneficial. Great for those who 'clog-up' between facials.	55	45
Fully Loaded Facial	This revitalizing treatment, for skin that needs extra attention, begins with a deep cleansing followed by a gentle enzyme Bio Peel, massage, extractions (removal of blackheads), specialized serums/boosters, masque, hands and feet massage. Too good for mere words!	80	70
Glycolic Facial	As a Basic Facial, but includes Glycolic Treatment. Using a 35% Glycolic Acid, this extensive peel, used as well in dermatologists' offices, helps smooth out the appearance of fine lines and wrinkles, eliminates 'age spots' and signs of sun damage. It also decongests clogged, oily, acne prone skin. (For maximum results, we recommend a series of six sessions at a special price of \$450)	75	65
Multi-Vitamin Power Facial	As a Basic Facial, but includes Multi-Vitamin treatment. Designed to treat environmentally-damaged skin, this treatment includes a non-irritating vitamin power exfoliation and a vitamin recovery masque to noticeably improve skin elasticity, tone and texture.	75	65
Alpha-Hydroxy Acid Facial	As a Basic Facial, but includes Alpha-Hydroxy Acid treatment. It is designed as an exfoliation system, that is non-abrasive and active enough even for resistant skins.	70	60
Adolescent Facial	A learning experience for teens. Treatment is tailored to address specific skin issues, identifies and treats future problems. Ideal for clogged, oily and acne prone skin.	55	45
