## Spa Services

### Waxing

Are you looking for an alternative to razor burn and messy depilatories? Waxing is an easy and effective way to manage your unwanted hair. Your skin will look and stay silky smooth for weeks at a time with no irritation or shadow. Please refrain from facial waxing services for 6 months upon completion of Accutane, and 4-6 weeks upon completion of Retin-A, Renova, Differin gel, Antibiotics, Avita and Glyquin.
